Mons.

Mon merite est si peu proportionné a l'Avantage et a l'Estime q. Vous en faites que j'en ressens plus de confusion, q. de gloire. Et si j'avois l'honneur d'estre connu de Vous je ne doute point q. V.r. ne fissiez promptement un desaveu de ce que Vous m'avez escrit: Neanmoins j'aurois taché de satisfaire a V.re curiosité ne fit l'embarras de mes Occupat.s continuelles. Cependant je Vous prie q. Voyés que ce n'est point seullement par l'ecriture, mais de tout mon Coeur que je suis.

Monsieur

Votre tres humble serviteur Perling
